Dear Parents/Guardians

Unwanted Buttons and Zips

The Rotary Club of Peterborough Ortons has written to us for help. One of the charities supported by them this year is designed to help individuals become self-sufficient with the aid of custom-made Trade Aid Boxes. Each box contains specifically selected supplies needed to provide people with a head start in recovering from a disaster such as the tsunami.

We have been asked to help with putting together **Trade Aid Boxes for Seamstress/Taylor**. One of the things needed for these boxes are buttons and zips and this is where we hope you can help. We know many households will have some unwanted buttons and functioning zips and would love to invite you to join us in our collection of these items.

Please bring your unwanted buttons and zips into the school office by Friday 18th February. We will then arrange for these to be collected by the Rotary Club of Peterborough Ortons, who will pack them into trade boxes and distribute them.

Your help would be very much appreciated.

Yours sincerely

Mrs J Moore
Deputy Headteacher
