5 November 2009

Dear Parents/Guardians

## **Fleeces and Jackets now available!**

We have two great additions to our embroidered uniform range - soft, warm fleeces and trendy reversible fleece jackets. Both items are very reasonably priced and can be ordered from the school office using the enclosed order form (please see overleaf). If you're not sure what size to order, we have some samples of both the items for you to look at in the school office.

## **Lost Property**

Please come and look through our Lost Property boxes if your child has lost anything since September. There is a small box in each classroom and a larger box in the cooking area. After Friday 13th November all the unclaimed items will be bagged ready for our next Ragtex collection.

Yours sincerely

Mrs C Firth  
Headteacher
