Dear Parents/Guardians of Reception Pupils

"Stepping out Together" Child Pedestrian Training

Road Safety Assistants from Peterborough City Council will be delivering their "Stepping Out Together" pedestrian training scheme to Reception children at our school on **Monday 30 November and Tuesday 1 December**.

The aims and objectives of the training are:-

- To improve children's basic road awareness thus providing a base on which to build future skills
- To develop safe behaviour
- To advise parents how to improve their child's awareness, skills, and behaviour near the road
- To encourage parents to establish safe practice and set a good example at all times

The training lasts approximately 45 minutes and occurs shortly after you and your child arrive at school. The training will be outside and therefore appropriate clothing and footwear should be worn e.g. warm/waterproof etc. Children will be provided with a fluorescent/reflective vest for the training session. As a parent you will be responsible for your child during the training.

Younger children are welcome providing they are in a pushchair. This enables you to concentrate on training your reception child and assists with the safety of younger children. **Please note your child will only be able to attend if accompanied by an adult carer, e.g. you, a close relative or child minder. If you have twins an adult is required for each child.**

Yours sincerely

Mrs C Firth
