Dear Parents/Guardians

### Photographer Survey

Thank you very much to all those who returned the Photographer survey. We have analysed the results and acted upon them.

Vast majority of you are happy with the company we currently use and like the facts that you can order photos on line and receive proofs on the day. We have therefore chosen to stay with them for at least for another year. We will, of course, always research other companies as well to make sure we are offering you the best possible service and value for money.

Most of you would like to have a more informal class photo, so this year we will have a montage style photo taken of each class and sports team. These should look great. The photos will be taken in June and we have managed to negotiate a very reasonable price for you.

A lot of you wanted to buy photos taken at various times during the school year in addition to the professional school photos. We have therefore decided to have a big photo exhibition of all the best photos at the end of the summer term when parents will also have a chance to buy the photos if they so wish. More detail of this event to follow nearer to the time.

Yours sincerely

Mrs C Firth  
Headteacher
