4th November 2010

Dear Parents/Carers of Year 3 children,

Following the success of last year's residential trip to Stibbington, I am pleased to say that we will be taking Year 3 children again this year.

Stibbington is an award winning environmental education centre run by Cambridgeshire Environmental Education service just north of Peterborough. We will be going for two nights (three days) during January 2011 (details to be finalised).

Stibbington's residential centre is a modern purpose built block and has bedroom accommodation for up to 38 in small rooms of usually 4 children. Staff will be accommodated in separate rooms close by on the same corridor.

During the day they will be learning science and geography. These lessons will enhance their normal school learning and the children will benefit from specialist resources, unavailable at school. Lessons will be led by the centre staff. St John's staff will support the activities and will also lead a full programme of activities each evening.

Normal clothing will be needed. No specialist equipment is needed because the centre will provide anything of this nature. Meals and bedding are provided at no extra cost.

The cost of the trip will be £65 which includes the cost of the coach to and from Stibbington. This really is a bargain and is only possible because we have obtained a grant to subsidise the full cost.

There will be a meeting for all those interested at 3.15 pm on Tuesday 9th November in my classroom. Please indicate on the slip below if you will be attending the meeting and return it to school as soon as possible.

Yours sincerely,

Mr R Maddox
 Year 3 Teacher
