25 May 2011

Dear Parents/Guardians

ZooLab visit on Friday 27 May 2011

We will have a visit from ZooLab this Friday, 27 May 2011. This visit will entail the showing and handling of live animals and all the children will get the opportunity to handle some of the animals themselves.

There will be a range of animals depending on the topic chosen.

Although we strongly encourage all the children to join in with the activities it is important to note that no child is ever forced to handle animals that they don't want to.

ZooLab takes health and safety very seriously and you can be rest assured that all the animals handled by your children are totally safe and unable to cause any harm. They also have a strict hand washing policy that they enforce at the end of every session.

We're sure your child will enjoy this experience and hope that it will stimulate a future interest in animals and related environmental topics.

Yours sincerely

Mrs J Moore
Deputy Headteacher
