

# Saint John's Church School Newsletter

Diary Dates

19th April 2010

## Ofsted

We have received notification that Ofsted inspectors will be carrying out their inspection of St John's on Wednesday and Thursday this week.

You will receive a questionnaire home this evening which you are encouraged to complete. This will be treated in confidence by the Ofsted inspection team.

This is our chance to be positive about our school.

*Mrs Firth*

## Parents Ideas Forum

The first Parents' Ideas Forum will take place on Tuesday 20th April between 8.30 and 9.30am in the Art Studio.

Lee Dearnly, Family Support Coordinator and Helen Wilson will talk about free family learning to be held at St John's shortly.

Along with our two Learning Mentors, Lucy Kent and Emma Richardson I will be available should you have any queries.

There will be an opportunity to chat with us or each other in an informal and friendly atmosphere. This is an opportunity for parents to voice ideas, share information etc.

We are hoping to make this a half termly event and would appreciate your support.

*Mr Hollingsworth*

## Attendance League

- 1st Class 4SW  
(Chipmunks)

## Sports News

Well done to our Netball team who came second in the Peterborough finals on Thursday. We are now through to the County finals in July.

*Mrs Walton*

### **Mission Miracle Maker Holiday Club at Christ Church**

25 children from St John's attended the Holiday Club at Christ Church and had a great time. They spent each morning on a space mission finding out about how "amazing" Jesus is. There was a mix of activities, including art, craft, games, songs and silly challenges (how many marshmallows can you have in your mouth and still say "Mission Miracle Maker"). The children kept coming back every day and brought their families along on Good Friday to find out what they had been doing and why we have a Cross on Hot Cross Buns. Look out for details of a Holiday Club Reunion in half term and don't forget there are activities for children at Christ Church every Sunday morning starting at 10am.

*Ian Pullinger*

### **Medical**

Please ensure that if your child has asthma, that the office holds an inhaler.

If your child suffers an allergy to any food it is also essential that we have this information.

*Mrs Sutton*

### **Head Lice**

There have been instances of head lice in school. Please check your child's head tonight and on a regular basis thereafter.

### **New Staff**

A warm welcome to our new midday supervisors; Lydia Sawyer, Agnieszka Kosiorek and Jeannette Cole.

### **Flora Tokens**

The Flora, Cooking for Schools promotion is ending shortly. Please can you bring in any tokens you may still have at home.

*Mrs Gee*

### **Peanut Park Opening**

The park was officially opened on Saturday by a player with the Peterborough Phantoms Ice Hockey Team.

This is an important community project and we are hoping that this facility is respected.

*Mr Hollingsworth*
