## Ofsted

Last week we were visited over two days by Ofsted inspectors. You will receive a report on their findings in a couple of weeks.

Thank you to everyone for all their hard work and the inspection had a very positive outcome.

## Why did we go to the Zoo?

On Monday our class went to the zoo and there were amazing animals.

When we got there, there were cheetahs, tigers and all sorts. There were funny monkeys and cute wallabies.

It was lunch time. I had a fantastic lunch. After lunch off we went to play. I had so much fun I was exhausted.

So exhausted I had a break and then

I went and played again. Then we looked at more animals.

Lots of gibbons were swinging. After that we went back to the playground again and finally it was time to go home.

Everybody had the best day of their lives! Sadly we got on the coach and returned home. Extremely tired, I went to bed ZZZZZZZ. I dreamed of the animals.

## Darley Hall Stud Farm Trip

On Thursday a group of our Year 4 children, along with children from other Orton schools visited Sheikh Mohammed's stud farm in Newmarket.

During an action packed day we learned about the Darley Stud and the breeding industry. We had the opportunity to tour the farm and see the stallions, mares and foals. We also learned about life as a jockey from a former jockey and experienced the wearing of silks. One of the many highlights was a chance to ride the "Equiciser", which is a training horse for jockeys.

We consider ourselves very fortunate to have had the unique opportunity to visit Dalham Hall.
